Para Dekan
Universitas Udayana
di Jimbaran

Dengan ini kami sampaikan informasi dari International Relations Centre (UKM Global), Universiti Kebangsaan Malaysia terkait penyelenggaraan FSK Summer Programmes 2026 yang akan dilaksanakan oleh Faculty of Health Sciences, Universiti Kebangsaan Malaysia (UKM). Program tersebut ditujukan bagi mahasiswa internasional dan menawarkan pengalaman akademik, budaya, serta pembelajaran berbasis praktik melalui tiga pilihan program, yaitu:

1. Natural Remedies: Discovering Malaysia's Medicinal Marvels (3M), yang berfokus pada eksplorasi tanaman obat, produk alami, dan pengobatan tradisional Malaysia.
2. From Farm to Fork: Understanding Malaysia Through Its Food Heritage, yang mengangkat kekayaan budaya dan kuliner Malaysia melalui berbagai kegiatan pembelajaran interaktif.
3. TRACE: Techniques, Research, Analysis & Crime Exploration, yang memberikan pengenalan mengenai ilmu forensik melalui kuliah, simulasi investigasi, dan praktik laboratorium.

Sehubungan dengan hal tersebut, kami mohon bantuan Bapak/Ibu Dekan untuk menyebarluaskan informasi ini kepada mahasiswa di fakultas masing-masing yang berminat mengikuti program tersebut.

Pendaftaran program dibuka hingga 2 Agustus 2026 melalui tautan berikut:

Dear Esteemed Partners,

Warm greetings from the International Relations Centre (UKM Global), Universiti Kebangsaan Malaysia (UKM).

On behalf of the [Faculty of Health Sciences \(FSK\)](#), we are pleased to invite your institution to participate in the **FSK Summer Programmes 2026**. This year, FSK is offering three exciting programmes:

1. Natural Remedies: Discovering Malaysia's Medicinal Marvels (3M)

- *Discover Malaysia's extraordinary biodiversity through an immersive exploration of medicinal plants, natural products, and traditional remedies. Participants will gain hands-on experience in essential oil extraction, herbal preparation, and natural product applications while visiting Malaysia's tropical forests and research institutions, bridging traditional knowledge with modern scientific practices.*

For enquiries, please contact: rohi@ukm.edu.my

2. From Farm to Fork: Understanding Malaysia Through Its Food Heritage

- *Experience Malaysia through its vibrant food culture. This immersive programme combines culinary workshops, local market visits, urban farming, and cultural exploration, allowing participants to discover how Malaysia's multicultural heritage has shaped its diverse cuisine while developing practical cooking skills and a deeper appreciation of local traditions.*

For enquiries, please contact: fatinhananimazri@ukm.edu.my

3. TRACE: Techniques, Research, Analysis & Crime Exploration

- *Step into the fascinating world of forensic science through interactive lectures, crime scene investigation, evidence analysis, and hands-on workshops. Designed for curious minds, TRACE introduces participants to forensic techniques while strengthening critical thinking, analytical skills, and scientific problem-solving in an engaging learning environment.*

For enquiries, please contact: drnoorhazfalindacsi@ukm.edu.my

These programmes are designed to provide international participants with immersive academic, cultural, and hands-on learning experiences while showcasing Malaysia's unique expertise, heritage, and innovation in the health sciences.

The registration deadline is 2 August 2026.

Interested participants may register using the following link:
